

The Tapestry Network

As Christian businesswomen, it seemed few understood our lives – and our needs. So we started this global sisterhood, with local gatherings, national conference, and online community, to help you live a life worthy of your unique calling in the marketplace.

Want to grow into God's idea of success for the whole woman? It takes authentic networking, business skills growth, and spiritual support from like-minded women.

Join Us!

The Tapestry Network is a movement that reaches out to all businesswomen, Christians and Seekers alike, so women can learn they no longer have to live fragmented lives.

The Tapestry Network empowers women to become the whole, integrated people God has called them to be through the healing power and presence of community.

Within the Tapestry sisterhood, women realize they *can* break through all obstacles and soar above perceived limitations to become free from the bonds that hold them back.

What is a Tapestry Chapter?

The Tapestry Chapter is a member-based community of unstoppable women whom want to serve as God has called them into the marketplace.

Through fellowship opportunities that deepen faith and sisterhood, the Tapestry offers each woman the encouragement, support and inspiration she needs.

Each Tapestry Chapter offers three opportunities for the weaving of support, information and services to produce marketplace champions. This is the Tapestry System™.

Our events are: Tapestry Circle, Tapestry Gathering, and Dinner of Lights.

The Tapestry Circle is a monthly opportunity for sharing wisdom and support with your BAM sisters to gain enlightenment through inspiration. The goal of the Circle is to have each woman leave with new ideas and breakthrough thinking around a business challenge she is facing. During the Circle, each woman will have the opportunity to present an issue and receive the thoughts, ideas and wisdom of her sisters in Christ through the guidance of Holy Spirit.

The Tapestry Gathering is a monthly business event where women come together to connect, learn, and honor God. Through the connection of Faith, Business and Friendship we create an unstoppable community. Each gathering begins with worship and prayer, and includes formal and informal networking, an educational and/or inspirational speaker, fellowship, and light appetizers.

The Dinner of Lights is a quarterly event to reflect in community and fellowship. The Dinner of Lights offers good food, good friends and a special candle lighting ceremony to celebrate the sisterhood of businesswomen – Christian and Seeker – to thank and give glory to God for all of His wonderful blessings.

The Tapestry Chapter is also a business opportunity for the Christian businesswomen with leadership skills and a calling to serve in the mission field of the marketplace.
